### New Hampshire Local Welfare Administrators Association

Municipal Welfare Officials and Administrators,

I hope you are all well during these challenging times.

Erin Segaloff, Program Manager for Supportive Services for Veteran Families (SSVF) at Harbor Care, recently shared information regarding what SSVF has to offer for assistance. SSVF has case managers regionally located throughout our state. Eligibility criteria for SSVF includes:

- Veterans with at least one (1) day of active duty service
- Discharge status can be anything other than dishonorable or a bad conduct with a general court martial
- Must be below 50% Area Median Income (AMI)
- Must be experiencing homelessness or at imminent risk of homelessness (without SSVF assistance, the household would be homeless within 30 days)

Referrals can be made by:

- Calling 211 from anywhere in the state
- Calling Sam Dahlberg at (603) 305-1122

What they provide:

- Housing navigation to help connect to landlords in the community
- Case management to connect to resources to create stability. Sometimes this includes referrals to local welfare or other Veteran service organizations.
- In limited circumstances, they have temporary financial assistance available to assist with housing stability (rent, security deposit, etc)

\*Shallow subsidy:

- SSVF is launching a new initiative to assist with affordable housing.
- To qualify, Veterans must be already enrolled in SSVF (see above criteria)

- Shallow subsidy will pay 35% of rent directly to a landlord for 2 years. Veteran would be responsible for the other 65% of rent
- They are prioritizing Veterans who:
  - Are over 55
  - Are not eligible for other Vouchers
  - Are between 30-50% AMI
  - Are on fixed income
- Since Veterans must be enrolled in SSVF for this service, please follow the above referrals.

If Veterans are ineligible for SSVF services, they provide a warm handoff to other appropriate agencies to assist Veterans. Inquiries can be made to Erin Segaloff at (603) 459-9587 or [e.segaloff@harborcarenh.org](mailto:e.segaloff@harborcarenh.org)

I hope this information is helpful to you.

Respectfully,  
**Todd Marsh**
